

Resort Dog Policy

Dear Madden's Guest,

Thank you for choosing to visit Madden's on Gull Lake. Because we know that your dog is an important part of your family, we are pleased to offer designated dog-friendly rooms. It is our intent to provide you and your pet with a safe and enjoyable stay. For the comfort and safety of all guests and pets, we kindly request that all pet owners act responsibly. Please read, adhere and agree to the following resort pet policies:

- A non-refundable fee of \$35.00 plus tax, per night will be applied to your guest room account. Please know there are a limited number of dog-friendly rooms available.
- Your dog is only allowed in the dog-friendly area provided at Wilson Bay and not in any other public areas of the resort.
- We ask that you keep your dog on a leash at all times while outside of your guest room and that your dog remains kenneled when left unattended inside your guest room.
- There is a limit of one dog per designated dog-friendly guest room.
- Maid service will be provided only if your dog is removed from the room or kenneled. This will allow our housekeeping team to feel comfortable while providing your daily service.
- Your dog should have all recommended vaccinations currently up-to-date, and you agree to obtain and provide current records from a licensed veterinarian regarding your dog, should Madden's on Gull Lake request this information from you at any time.
- You will be fully responsible for any injuries to resort employees or other resort guests, as well as any damage to Madden's property caused by your dog.
- Please pick up after your dog or an additional \$150.00 cleaning fee will be added to your room account. For your convenience, waste disposal bags are provided in your guest room and designated walking area.
- Please monitor your dog's barking; if other guests complain of excessive barking and you are unable to control your dog, you may be asked to depart the resort with no financial adjustment to your final bill.
